

### Heat Map of Motorcycle shops by Location

### Where Riders have spent locally on rides

### No of Motorcycle Dealers & Accessory Shops by State

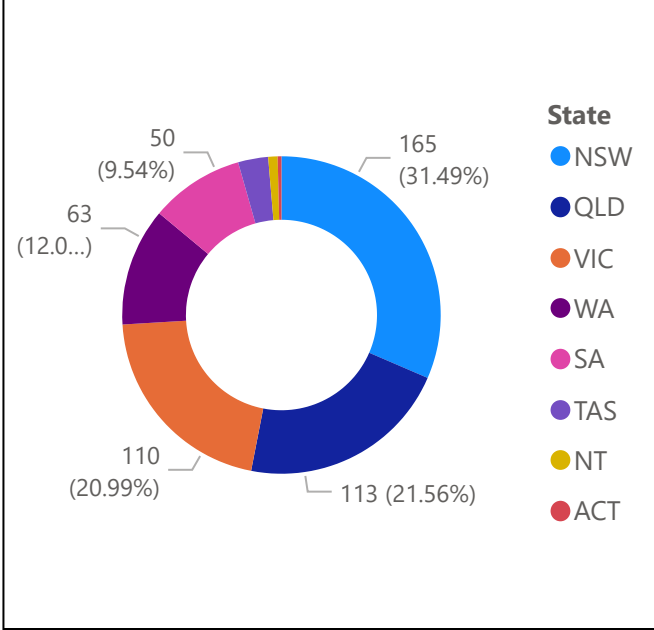

### Impacts due to Loss of Riding Areas

- . NSW represents 30% of all Motorcycle Dealers and Retailers within Australia.
- . A reduction in availability of places to ride will impact the Motorcycle industry both at State and National level, the National level needs a core mass of activity to support the industry as a whole.

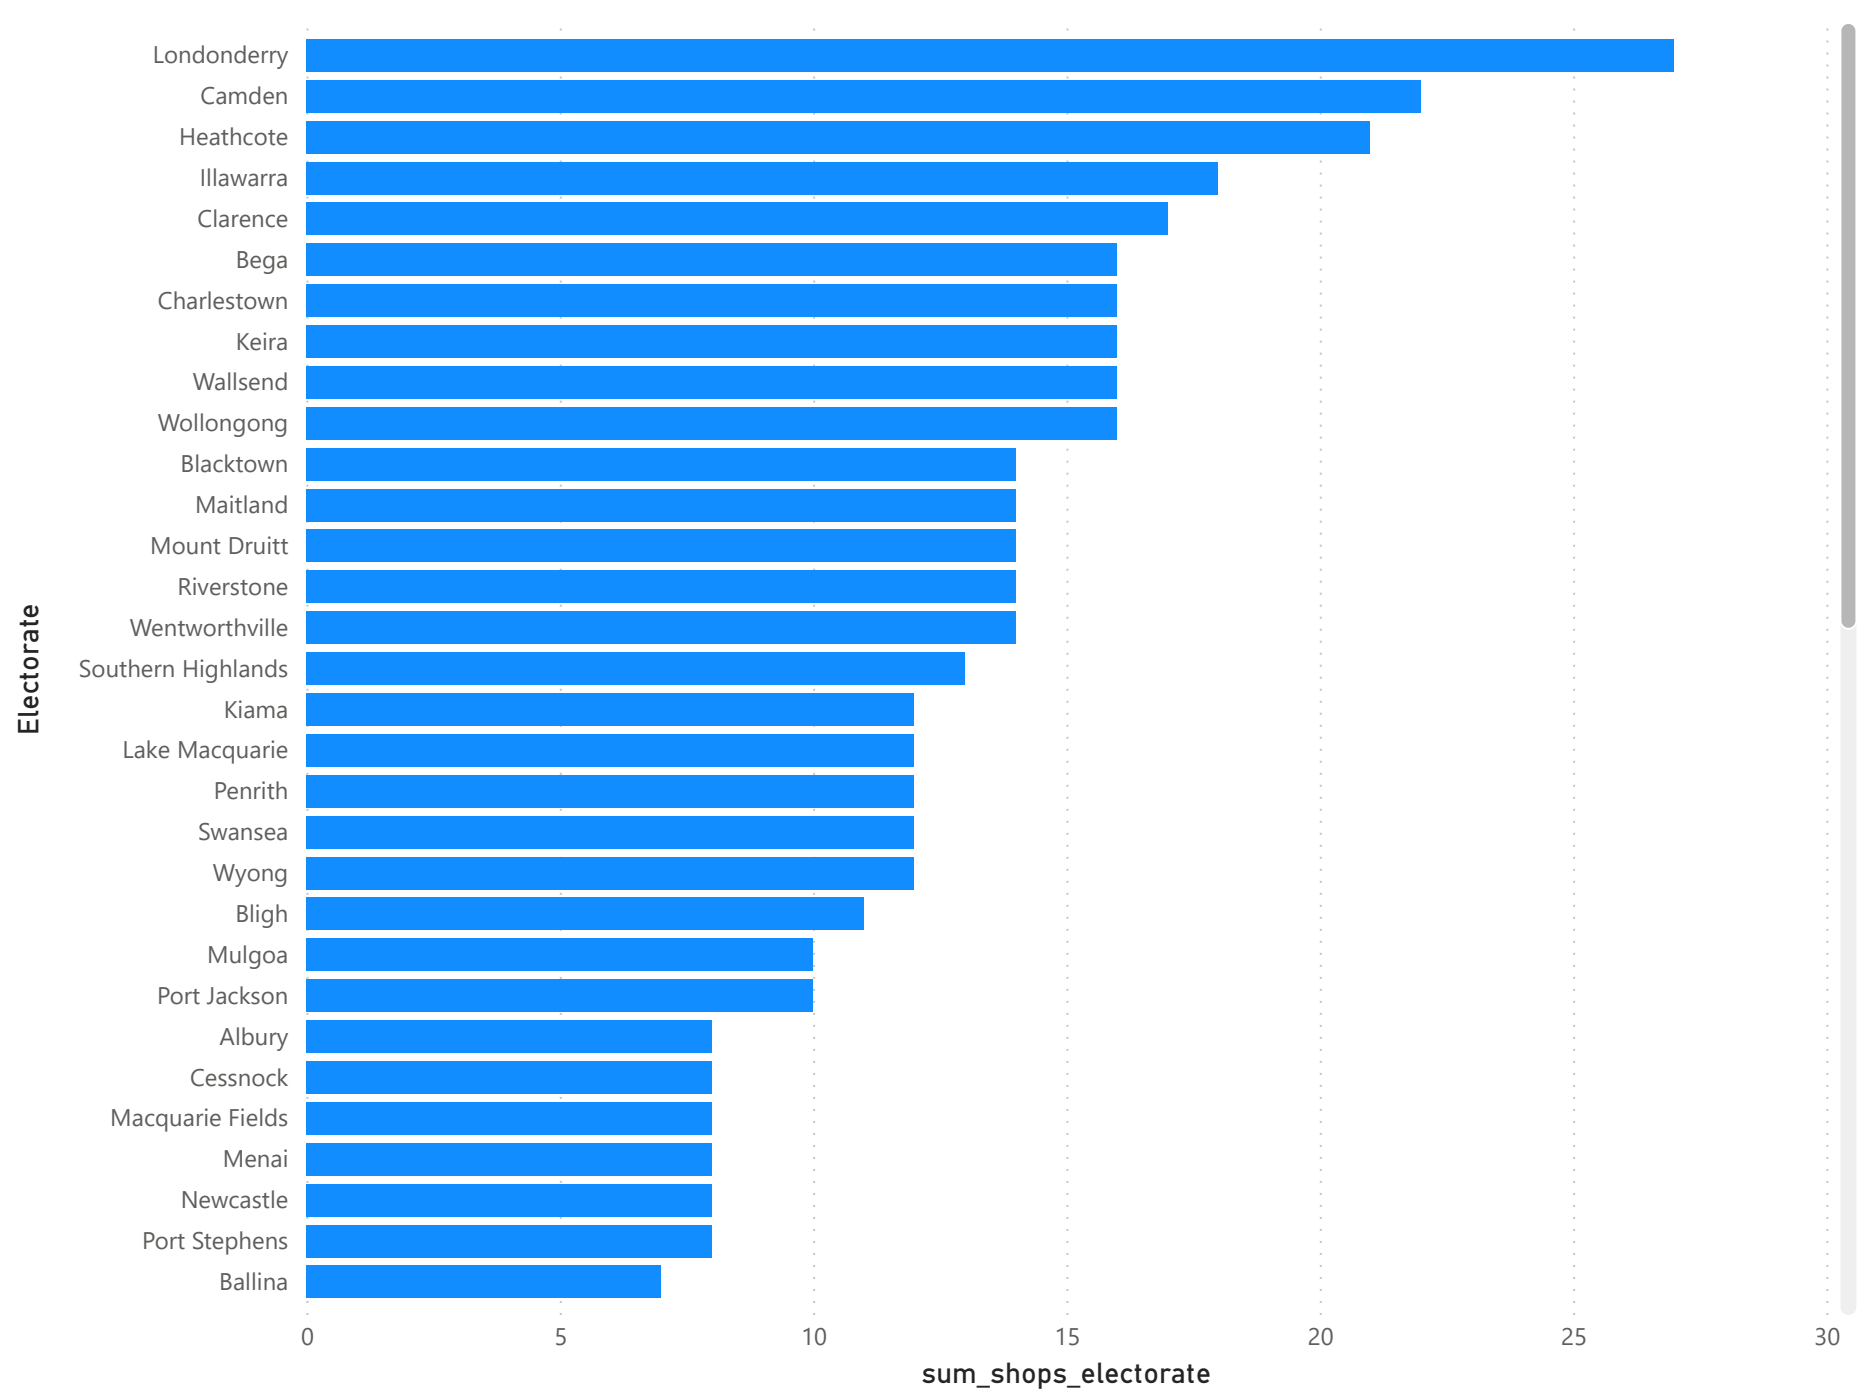

### Expenditure by Rider within NSW while Riding

Extract from Financial Survey undertaken by Outdoors NSW & ACT and MCC in November 2021. 397 responses obtained with respondents asked where they spent money while riding, could list up to 5 towns.
